RG104 E-1 Box 144 Feb-Mar 1887

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., March 2, 1887.

Sir:

I return the McCaul bid to specifications for a new bid to specifications reduced to the required conditions, as we have no warrant for taking it for granted that the bidder will make the same bid for a part of the work as he has made for the whole. The proposal should be cut down so as to include only the work actually to be done.

As an alternative from such a course, a letter should be written by Mr.McCaul specifically confirming the terms for the work to be done, and accepting the condition that his bid will not apply to all the heads as printed in the "form of proposal."

No work should be undertaken the cost of which will exceed the appropriation.

Very respectfully,

Jas. P. Kimball

Director of the Mint.

Hon.Daniel M.Fox,

Superintendent U.S.Mint,

Philadelphia.
